EDUCATION

University of Toronto	2021 - 2025
Honours Bachelors of Science - Physics and Astronomy Specialist, Math Minor	
University of Toronto	
Master of Teaching - Intermediate/Senior	2025 - Pres.
• Degree Expected: June 2027	

TEACHING EXPERIENCE

Teacher Candidate	Feb - Mar 2026
Grade 11, 12, University of Toronto Schools, ON	
• Planned and designed lessons for physics units on waves	
• Created, deployed, and supervised assessments and lab investigations	
• Attended staff meetings and professional development	
Teacher Candidate	
Grade 10, West End Alternative Secondary School, ON	Nov - Dec 2025
• Planned and designed lessons for a workplace math course	
• Supported and guided students with IEPs and diverse needs	
Co-Director & Piano Instructor	2023 - Pres.
Ages 5 - 17, Musical Mind's Community Outreach, University of Toronto, ON	
• Planning and designing weekly private piano lessons	
• Creating and presenting educational resources and support to new instructors	
• Adminstrating lessons between families and instructors	
• Communicating with teams, community homes, shelters, and sponsors	
• Applying for funding, fundraising, and managing the budget	
Coding Instructor	2024 - 2025
Grades 10 - 12, Coding the Cosmos, University of Toronto, ON	
• Designed coding notebooks to teach programming and astronomy	
• Presented and lead astronomy workshops for high school classes	

WORK EXPERIENCE

University of Toronto, ON		
Science Unlimited Summer Camp - Program Leader	(Part-time)	Summer 2026
University Family Housing - Program Support	(Part-time)	Summer 2026
Physics Library - Library Assistant	(Part-time)	2023 - 2024

SKILLS ([Projects](#))

Python: Proficient - statistical methods, time series analysis, image processing
MATLAB: Proficient - MathWorks-issued *Foundational MATLAB* certification
Javascript: Familiar - web development with HTML & CSS
Arduino: Familiar - C++ and IOT, robotics & hackathon projects
LaTeX: Proficient
